

FRESH GREEN BRAND S.A.S. - Corporate Overview & Operational Strategy

Executive Summary:

Fresh Green Brand S.A.S. is a premier Colombian agricultural produce exporter and sustainable distributor specializing in organic tropical fruits, avocados, citrus produce, and fresh vegetables.

Key Business Highlights:

1. Sustainable Agriculture & Direct Sourcing:

Partnering directly with over 35 certified smallholder farming families in southwestern Colombia, ensuring fair trade practices, short supply chains, and superior produce freshness.

2. Product Lines & Portfolio:

? Organic Hass Avocado: High-altitude sustainable orchards.

? Fresh Strawberries: Greenhouse cultivated, hand-picked premium berries.

? Tahiti Limes: High acidity seedless citrus produce.

? Tropical Mangoes & Pineapples: Kent, Tommy Atkins, and Golden MD2 pineapples.

? Exotic Produce: Lulo fruit (Naranjilla), Passion Fruit, and Soursop.

3. Financial & Market Expansion:

Fresh Green Brand recorded robust revenue growth (+7.07% month-over-month), generating \$21.2M COP in April 2026 with a strong 40% net margin. The company is actively expanding wholesale supply contracts across North America and Western Europe.
