FRESH GREEN BRAND S.A.S. is an organic agricultural exporter founded in 2018 in Popayán, Cauca. We specialize in the direct commercialization of fresh produce, working directly with over 35 small and medium-scale farming families across Cauca, Huila, and Valle del Cauca to guarantee short supply chains preserving peak freshness, natural flavor, and essential nutrients.

Core Operational Pillars:

1. **GUARANTEED FRESHNESS:** All produce is harvested and distributed within a maximum 48-hour cycle, ensuring peak ripeness upon delivery.
2. **SUPPORT FOR LOCAL FARMERS:** Direct partnerships with 35+ farming families, eliminating intermediaries and providing fair trade prices.
3. **SUSTAINABILITY:** 100% biodegradable packaging, zero food waste initiatives donating surplus to community kitchens, and eco-friendly farming practices.

MISSION: To deliver health and nutrition to every household through fresh, affordable, top-quality produce while strengthening the rural agricultural ecosystem.

VISION: To be the leading fresh produce distributor in southwestern Colombia by 2030, recognized for sustainability, quality, and rural development.
